- **I never received an invoice or confirmation email for my registration…so am I registered?**
  If you didn't receive an email confirmation, it could be that the email address was invalid or your email spam filter has blocked the invoice from making its way to your inbox. Check your spam/junk filter to see if it's there. If not, email us at *info@wiredchurches.com* and we'll make sure you get a new copy.

- **I cannot attend the conference…what can I do now?**
  If you contact us prior to the event date, you have the following options:
  - Transferring your registration to another person from your church. Email *info@wiredchurches.com* with your request and we'll transfer the registration to a different name.
  - Keeping the registration in your name but transferring it to the next available date for the event. Email *info@wiredchurches.com* with your request before the day of the event.

- **What is your cancellation policy?**
  If you are unable to attend an event you registered for, please know that **refunds are not available**. If you contact us prior to the event, you can transfer your registration to another person or for the next available date for no charge. (See details above.) Transfers are not available after the event has occurred.

- **My group has signed up for an event already and now an additional person would like to register. Can I register them for the same rate?**
  You can easily register another person for an event at WiredChurches.com, but in order to get a Group Discount rate, you must register all those attendees at the same time, on the same invoice.

- **Is childcare available?**
  We love kids, but WiredChurches.com events are adult learning environments only. We aren't able to accommodate any children, so you will need to make other arrangements as necessary. Children will not be allowed at any event. If it is necessary to bring a nursing infant with you, we will provide you access to a nursing room, but you will need to provide childcare during the times the infant is not feeding.

- **What's the dress code?**
  Dress for WiredChurches.com events is casual. As the date of the event you're attending nears, we recommend checking Weather.com (using the zip code 46530) for the weather predictions.

- **I have another question that's not covered here…who can I contact?**
  You can contact us at *info@wiredchurches.com* or 888.249.6480 and someone will gladly help answer your questions.
